

## PROJECT MAP

## SCHEDULED CONSTRUCTION ACTIVITIES

Ongoing overhead and underground utility relocations will continue along the VIA Rapid Green Line corridor. Lane and sidewalk closures are expected.

This will include relocation of water, gas, electric and communication lines. This work is an important step in getting ready for the next phases of the project. You may notice some excavation activity and construction equipment in the area as part of this process.

## PLANNED ROAD AND LANE CLOSURES

You can expect temporary lane closures as utility relocations continue in the following locations:

- Segment 1 – St. Mary's Street, from Eagleland Drive to Roosevelt Park Drive. Roosevelt Avenue, from Roosevelt Park Drive to Steves Avenue.
- Segment 8 – Isom Road, from U.S. Highway 281 North to San Pedro Avenue.

*Lane closures and detours are subject to change.
